Re: Bid Number GEM/2026/B/7805877

This is to certify that M/s Vantage Industrial Supplies has been engaged in the manufacture and supply of filtration equipment and allied products for the past several years, with a consistent growth trajectory in revenue.

The company's turnover has shown steady improvement year on year and comfortably satisfies the eligibility norms typically applicable for GeM tenders of this category and quantum.

Detailed audited financial statements are available and can be furnished to the buyer upon request during the technical evaluation stage.

For and on behalf of,

Vantage Industrial Supplies
