AMBIGUOUS / REQUIRES CLARIFICATION

Ref: GST/GEM/2021/B-15

GeM Bid Reference: GEM/2021/B/1566720 | **Buyer:** Indian Institute of Technology Kanpur
Item Offered: Non-ionic Lipid Detergents - General Grade (Specific Brand/Type Unclear)

1. PRELIMINARY TECHNICAL EVALUATION MATRIX

Requirement	GeM Tender Specification	Submitted Info / Certificate	Status
MSME Exemption	Exemption claimed for Turnover/Exp	MSME Cert attached (Trader category)	UNCERTAIN
MII Compliance	Min 50% Local Content (Class 1)	Self-declaration attached without % detail	AMBIGUOUS
OEM Authorization	OEM Authorization Letter (MAF)	Generic Reseller Letter (No contact details)	UNCLEAR
Technical Datasheet	Detailed specification sheet	Catalog page attached (Specs partially match)	MISMATCH?
Service Support	Toll-Free No. & Escalation Matrix	General Mobile No. provided	INCOMPLETE

2. AMBIGUITIES & TECHNICAL CLARIFICATIONS SOUGHT

? MSME Status Conflict: Bidder claims MSME exemption for Turnover & Past Experience. However, the uploaded Udhyam certificate indicates trader status, whereas GeM MSE preference guidelines state "Traders are excluded from the purview of Public Procurement Policy for MSEs" for goods supply.

? Unclear Local Content Percentage: The Make-in-India declaration states "Compliant with MII order", but does not specify the exact percentage of local content or manufacturing location details as required by Clause 6.

? OEM Authorization Details: Authorization letter from overseas manufacturer lacks official contact email, designation, and seal verification required under ATC Clause 6.

Notice to Bidder: Under GeM 2-Day Clarification Window, Bidder is requested to upload (1) Verified OEM Authorization with official contact details, and (2) Clear MII percentage declaration to avoid rejection.

Prepared by Evaluation Committee:

Status: Pending 2-Day Clarification Response

Date: 23-10-2021
